### Position statement

ASB trend followed a similar line to last year in the last 6 months with an overall yearly drop of 150 cases (22%) with a peak in July and August.

Criminal damage showed a slight drop from 484 to 458.

Looking at managed cases on Sentinel the majority were related to adults including issues around cannabis smell, noise and neighbour disputes. County ASB group are working on guidance for dealing with Cannabis smells. Likely that we will use Community Protection Notices to target nuisance of the smell.

In November we had a large gathering of youths on Little Bowden rec and in Sainsburys area the weekend of 19th/20th. HDC cleared litter, police wrote to all parents at Welland Park Academy and Robert Smyth about under age drinking/ buying alcohol for minors etc. and Impact team did a short period of work. This did not re-occur.

There were also reports of fireworks being set off and being thrown in Lutterworth during, police spoke to shops about selling to underage did proactive patrols in the run up to Bonfire night.

In last quarter we had reports of low level ASB at Swannington industrial estate (vehicle noise) in Broughton Astley, we considered moving our re-deployable camera, but the reports declined and stopped as we went into lockdown.

## CSP HIGHLIGHT REPORT

Work to reduce incidents of ASB	
Action	Summary
<p>Emergency services cadets and fire skills – referrals from partner agencies.</p> <p>Explore possible new in group for Lutterworth</p>	<p>In October it was 1 years since the helicopter crash at Leicester City football Club, the Cadets spend this session learning about the incident and took part in a minutes silence to remember those that died in this tragic incident.</p> <p>11<sup>th</sup> November was Remembrance Day. Our leaders and Cadets took part in the Parade and then attended the church service followed by laying of a wreath in Market Harborough town centre.</p> <p>For many of the Cadets this was their first time attending the Remembrance Day Parade which was a great experience for them.</p> <p>During December the Cadets had a break over the Christmas period. On their final session before the break we organised a fun night, we organised lots of fun activities for the Cadets to take part in.</p> <p>One of the Cadets parents owns a fish and chip shop and they kindly offered to supply everyone with a meal for the evening free of charge which was fantastic.</p> <p>On the 23<sup>rd</sup> of December a number of our Cadets joined the other Cadet groups form around the Brigade at the Boost Trampoline Park in Leicester where they enjoyed a day having fun and getting to know people from Both Central and Western Cadet groups.</p> <p>At the start of the new term in January the Cadets got together to discuss what they would like to do/achieve in the year.</p> <p>They all agreed that they would like to attend and help out at more community events.</p> <p>It was also asked that we would look into organising another PGL trip to be held during the summer, this is something Market Harborough cadets have done for the past two years and has proven to be a great success. A trip to the Aqua Park in Rutland was also mentioned which we have been looking into</p> <p>Many of the sessions in the early part of the year compiled of getting back to basics on the drill yard where our newest Cadet members learnt about all the equipment we carry on the Fire engine and what they are used for.</p> <p>They have also been learning Hose running, operation of fire hydrants and basic hydrant drills where they thoroughly enjoy spraying water in the yard.</p> <p>We have also been getting the senior Cadets to take on more responsibility in assisting the new Cadets with anything they might be struggling with, this has also helped with team building and bonding amongst all the Cadets.</p> <p>We also introduced many of the Cadets to ladders for the first time, many of which had never climbed a ladder before and therefore felt unsure at first but after some encouragement were able to climb to the first floor of the drill tower and really enjoyed it which was a great achievement.</p>

## CSP HIGHLIGHT REPORT

	<p>In June our Cadet unit has been asked to attend and help out at the Market Harborough Carnival, this is a community event in which the unit has helped out at for the past two years and all our cadets had been looking forward to however unfortunately the event has been postponed due to the Corona virus pandemic.</p> <p>Our newest leader Kane Warman works for the Defence Fire service at RAF Cottesmore, we had been organising a trip to the RAF base where the Cadets would be able to have a tour and find out what life is like working at an RAF base, they would also get a chance to see the training facilities and equipment that they get to use. Due to the Corona virus this trip has been postponed to a later date.</p>																																	
<p>Diversionary Activities targeted at young people in asb hotspot areas. Including Street Games, hot spot events.</p>	<p>We have had no asb hot spot areas involving young people identified over this period. Funding put aside for this will be used to help fund the continuation of our JADA+ domestic abuse service in Harborough for children and non-abusing parent.</p>																																	
<p>Continue to utilise IMPACT TEAM/ HCYC Youth workers to work with young people in high risk locations</p>	<p>IMPACT team were deployed for a short piece of work in November over 4 nights following gatherings of youths on Little Bowden Recreation ground.</p>																																	
<p>Use re-deployable CCTV cameras to deter and detect crime and asb in hotspot areas.</p> <p>Complete survey of lamp posts required and arrange testing to enable moves of camera</p>	<p>Our two re-deployable cameras remained at Western Avenue Market Harborough and Jubilee Gardens.</p> <p>Incidents at Western Avenue had stopped but the camera remained whilst a new location was established. The camera was due to be moved to an industrial estate in Broughton Astley but due to the Covid-19 pandemic the move was delayed and the asb issues also stopped, this will be reviewed later in the year.</p> <p>The camera at Jubilee also remains as there have been some re-occurrence of issues to give reassurance to residents.</p>																																	
<p>Fund Street Pastors to prevent alcohol related crime and asb in Market Harborough Town Centre (part of campaign funding)</p>	<table style="width: 100%; border-collapse: collapse;"> <tr> <td style="width: 60%;">No. of volunteers Street Pastors</td> <td style="text-align: right;">13</td> <td></td> </tr> <tr> <td>Prayer Support Team</td> <td style="text-align: right;">9</td> <td></td> </tr> <tr> <td></td> <td></td> <td style="text-align: right;">Total for 6months</td> </tr> <tr> <td>No. of patrols</td> <td style="text-align: right;">20</td> <td></td> </tr> <tr> <td>No. of volunteer hours</td> <td style="text-align: right;">231.5</td> <td></td> </tr> <tr> <td colspan="3"> </td> </tr> <tr> <td>Bottles and glass cleared up</td> <td style="text-align: right;">149</td> <td></td> </tr> <tr> <td>Flip flops handed out</td> <td style="text-align: right;">8</td> <td></td> </tr> <tr> <td>Bottles of water handed out</td> <td style="text-align: right;">6</td> <td></td> </tr> <tr> <td colspan="3"> </td> </tr> <tr> <td colspan="3">Number of people spoken to (by ethnicity, sex and age):</td> </tr> </table>	No. of volunteers Street Pastors	13		Prayer Support Team	9				Total for 6months	No. of patrols	20		No. of volunteer hours	231.5					Bottles and glass cleared up	149		Flip flops handed out	8		Bottles of water handed out	6					Number of people spoken to (by ethnicity, sex and age):

Our motto is **Caring, Listening, Helping**

A few highlights from the last 6 months:

1. Assistance given to homeless people seems to have decreased. We took part in the National Survey of homeless people.
2. The Christmas period was busy but without major anti-social incidents.
3. 4 patrols were lost due to government restrictions on social distancing, but even before that it was noted that the town was much less busy due to severe weather.
4. Prior to the virus crisis, it had been noted that there was an increased number of young persons on the streets.
5. Patrols are currently suspended until further notice.

### Continue to raise awareness and understanding of ASB

<b>Issues / Risks</b>	<b>Action Taken</b>
Asb patrols	This year there were a higher than normal asb during Halloween and fireworks night. Incidents involving fireworks being thrown in Harborough and Lutterworth caused some distress and community tensions. Extra officers will patrol this year.
