Title: Community Safety Partnership – Annual Review

Report of : Sarah Pickering, Community Safety Manager

Portfolio Holder: Cllr Whelband, Communities Cabinet Member

Where from: Harborough District Community Safety Partnership

Where to next: Harborough District Community Safety Partnership

Objective: To review the Community Safety Partnership's contribution to reducing crime and disorder in Harborough as set out in the Community Safety Plan.

1. Outcome sought from Panel

1.1 The purpose of this meeting is to discuss the performance of the Community Safety Partnership in reducing crime and disorder in 2019/20.

2 Background

2.1 The CSP was set up under [Sections 5-7 of the Crime & Disorder Act 1998](#) and is made up of statutory services who need to work together to protect our local communities from crime and disorder, and to help people feel safer. These include:

- Harborough District Council
- Leicestershire Constabulary
- Office of the Leicestershire Police & Crime Commissioner
- Leicestershire County Council
- Leicestershire Fire & Rescue

2.2 The Responsible Authorities work together to protect their local communities from crime and to help people feel safer. They work out how to deal with local issues like anti-social behaviour, drug or alcohol misuse and hate incidents. They annually assess local crime priorities and consult partners and the local community about how to deal with them.

2.3 CSPs were set up under Sections 5-7 of the Crime & Disorder Act 1998. There are about 300 CSPs in England and 22 in Wales.

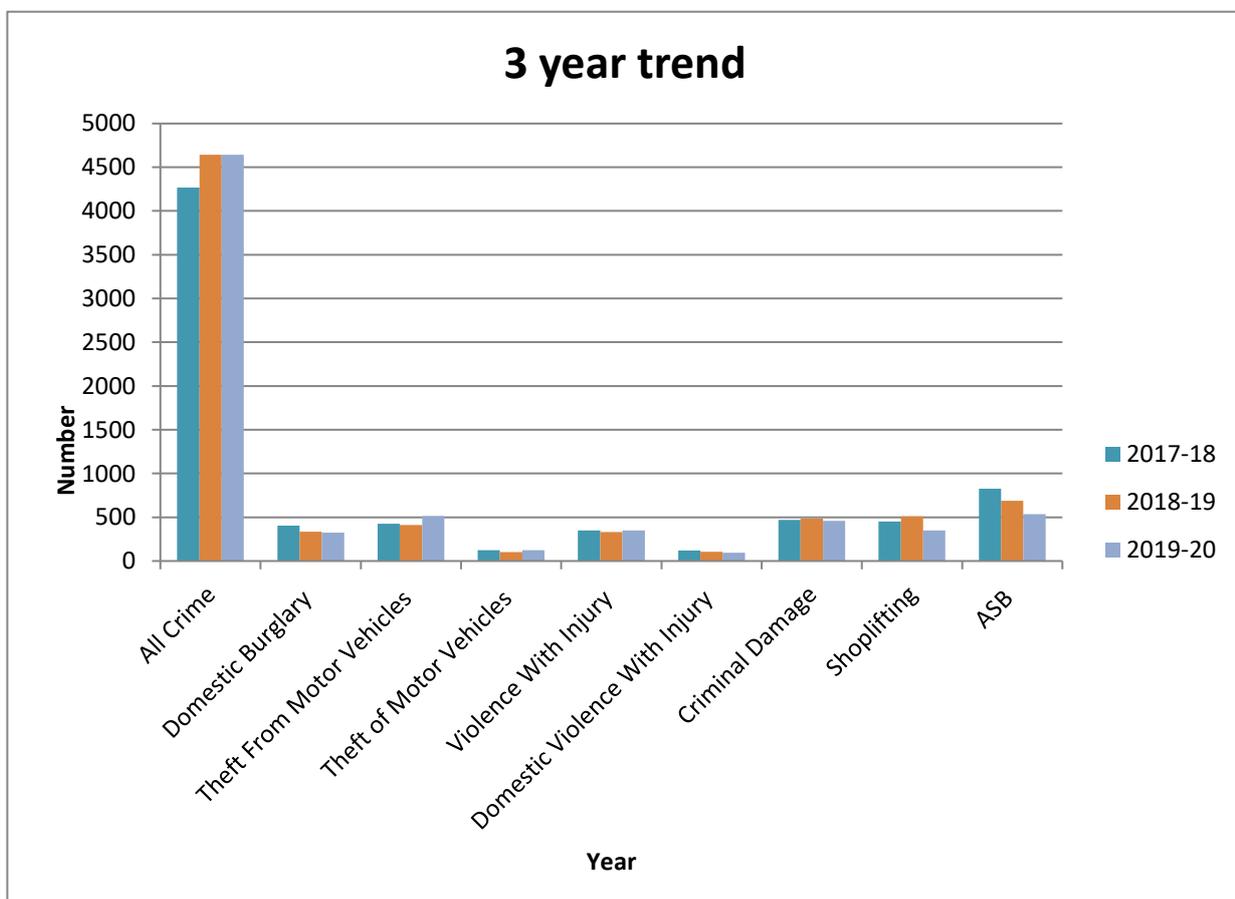

2.4 Leicestershire is a two tier area which means there is one CSP for the County (Leicestershire Safer Communities Strategy Board) and one for each of the 7 District/ Boroughs. Harborough district's CSP is called 'the Harborough District Community Safety Partnership' (which can be found on Twitter @HarbCSP). Harborough District Council leads and administrates the CSP on behalf of the 'Responsible Authorities' listed in 2.1.

CRIME & DISORDER UPDATE

2.5 There was a small decrease in overall crime during 2019/20 and the District remains a very safe pace to live.

2.6 Crimes such as burglary, theft from motor vehicles and violence against a person, remain a focus for Leicestershire Police and the CSP as they have a high impact on people and their perception of safety. However burglary was down in 2019/20 and has remained lower in 20/21. Anti-social Behaviour also decreased in 2019/20 by around 22%. Shoplifting decreased by 31.5%

The first quarter report has been attached – Appendix F.

We are currently working on an action plan that will sit under this strategy to ensure we deliver the Three Year Plan that has been produced following a Strategic Assessment which included a local Community Safety survey. This will be reviewed over the course of the year as we continue to see the impacts of Covid, specifically through increased reports of Domestic Abuse, Hate Crime and ASB.

3 Points for discussion

- To discuss the performance of the CSP,
- To highlight the challenges the next year and Covid will bring relating to delivery of community safety
- For Members to ask questions of HDC officers and partners on work areas

4 Equality Impact Assessment Implications/Outcomes

- 4.1 The partnership actively considers equalities when developing priorities and commissioning services to ensure support for most vulnerable in the community. Supporting vulnerable people is also a key priority as per the Highlight Report. An equalities impact assessment would be completed for any key decision making

5 Impact on Communities

- 5.1 Crime, disorder and road safety issues are consistent concerns for communities. Harborough District Council and its partners are therefore working to keep the

areas we live in both safe and harmonious. This is an ongoing priority of the Partnership and individual agencies.

6 Legal Issues

- 6.1 The Police and Justice Act 2006 introduced a requirement for local authorities to have a crime and disorder committee with the power to review or scrutinise decisions made, or other action taken by Responsible Authorities in relation to the discharge of their crime and disorder functions. The responsibilities of the Crime and Disorder Committee are delegated to the Communities Scrutiny Panel (Part 3 Section B of the Constitution), which has a duty to review or scrutinise decisions of an actions by the Community Safety Partnership.
- 6.2 The new Anti-Social Behaviour, Police and Crime Act 2014 have consolidated and simplified the powers available to the Police and Local Authorities and in some cases Registered Social Landlords. HDC has established a Corporate ASB Officer Group to ensure consistency and proactive use of powers available
- 6.3 Local Authorities now have a Statutory Duty as part of the Counter Terrorism and Security Act to have “due regard to the need to prevent people from being drawn into terrorism”. The Prevent strategy is a key part of the Government’s counter-terrorism strategy and aims to stop people becoming terrorists or supporting terrorism.

7. Resource Issues

- 7.1 Administration of the CSP is carried out by the Community Partnerships Team with HDC being the lead authority.
- 7.2 The work of the CSP is resourced mainly through a £36,073 grant from the Police & Crime Commissioner as well as aligning and targeting mainstream resources of statutory partners; mainly the Police, Harborough District Council, Leicestershire Police and Leicestershire County Council.

8. Community Safety Implications

- 8.1 Delivery against the Three Year Plan is having a positive impact on reducing crime and disorder within the Harborough area.

9. Carbon Management Implications

- 9.1 No direct implications. The partnerships consultation strategy places more emphasis on electronic communications and less on printed leaflets/ promotional material etc. This reduces paper, postage etc. Less crime will reduce the number of visits to sites of reported incidents.

10 Risk Management Implications

- 10.1 There are risks around increases to ASB and domestic violence as a result of Covid. In addition the team are experiencing increased workload due to implications

from Covid-19, in particular formation for Night Time Economy Cell which is run by the Community Safety Team.

11 Consultation

11.1 The Three Year plan is subject to a consultation period with all responsible authorities on the Community Safety Partnership having the opportunity to contribute.
