Dear Mrs Baker

**RE: PROPOSED EXTINGUISHMENT OF HIGHWAY RIGHTS - SECTION 116  
HIGHWAYS ACT 1980 - LAND ADJACENT TO BLOOR HOMES DEVELOPMENT,  
MILL ROAD, ULLESTHORPE.**

Please find enclosed a plan showing the land that is regarded by the County Council to be public highway as coloured brown.

I have received a request from the owner of the above for an extinguishment of highway rights, under Section 116 of the Highways Act 1980 over the area of highway land shown hatched on the attached plan. As you may be aware, this is a legal process to remove the highway status from land, which constitutes part of the public highway. If this application is concluded successfully, then the area will become private land.

At this stage, prior to the formal consultations being commenced (which are required by law), I should be grateful for the views of the District Council.

Should you require further information relating to this, please contact my assistant Laraine Hawkins on the above telephone number.

Yours sincerely
