

Locations identified for PSPO - Nitrous Oxide finds

- Harborough innovation centre and surrounds, on Leicester road near green acres site, in lay-by near woodlands estate.
- Along the A6 bypass
- In and around Little Bowden rec and at the top of Kettering Road near the bridleway.
- Lubenham
- The rec on western avenue and welland park
- On a canal path from union wharf onwards
- All over the place. I go out litter picking and always find at least ten, wherever I've been, really.
- Coventry road, welland park
- Fleckney village - along Leicester Road and in Leicester Rd rec and lodge road rec
- In the gateway to Wellington Place bridge near The Woodlands, on Leicester Road near Fairway, and along the canal towpath.
- Lubenham Hill
- Sainsbury's car park as well as the little bowden park
- Kibworth- both main parks - litter everywhere
- Lay-by on the road between Lubenham and East Farndon
- Town centre (Church street), football fields off Northampton road, Brampton Valley Way, Little Bowden Rec.
- Welland Park
- Symington's Recreational Ground, little Bowden rec, Welland park, Logan Street, layby on the road to gartree, layby near woodlands
- I have seen them pretty much everywhere while doing voluntary litter picking throughout Harborough town over 3 months. Everywhere that cars can park (laybys, business entrances etc), and anywhere youths can sit/stand out of main thoroughfares.
- In the layby near the Woodlands. Also, along Alvington Way.
- Welland Park
- Welland Park, Symington,
- Northampton Road - Little Bowden
- Market Harborough (various)
- I've seen them in gutters
- Lay by near Woodlands, on the the streets along there and the canal.
- All the parks, lay-by on A6, various random streets and out of the way areas
- Kibworth Beauchamp, Market Harborough
- Gallowfield rd
- Farndon fields estate
- Farndon Fields playground with blue play equipment.
- Farndon fields estate
- Friends and neighbours have seen the nitrous canisters in the 'Blue park' on the Farndon Fields estate.
- Blue park on Farndon Fields estate
- All over

- Foxton village; layby at the top of Gallow Field Road and other places I can't remember, there seem to be several every now and then
- I'm in Walton Lutterworth and sadly I see it on the park and in the parks car park in Walton and on the streets in Kimcote.
- Ashby Parva, Main Street and Simons Orchard
- Logan Street park gangs drinking using drugs being abusive.
- Walcote / Misterton
- Sorry I can't remember but I recognise the canister.
- Often found at Manor Field play area, Thurnby
- Kibworth rec park
- Welland Park, Logan Rec.
- Frequently see discarded N2O canisters when litter picking. Mainly in urban areas but a large number often left in lay-bys and road edges where they are a skid hazard to cyclists and motorbikes
- Fern Close Thurnby. (End of Cul De Sac) Covert Lane Scraftoft.
- Skate park off Bellfields Road and public open space off end of Glebe Road
- Kibworth parks, laybys around the district, alley way in Kibworth
- The Woodlands slip road by canal, Logan St rec, Welland Park...all over really
- Welland Park
- All around the village of Scraftoft
- Welland park
- Welland park Little Bowden park Town centre Symington park
- Lay-bys around around Lutterworth and villages on occasion
- Numerous locations, but little Bowden park and Abby street
- Show ground
- Little Bowden recreation ground
- Little Bowden park
- Kibworth parks
- The little silver canisters the nitrous oxide comes in, are regularly left around the recreation grounds in Kibworth. I have seen the small balloons they use to take the gas as well. They become a litter problem & the balloons are also dangerous for dogs if swallowed.
- Smeeton Road park, Kibworth Beauchamp
- I've seen the canisters littering the car parks surrounding McDonald's at the top of the ring road
- Little Bowden Rec
- On the grassed area at the end of Longbreach Road near the tin bridge in Kibworth Harcourt
- outside Thurnby church and on Wadkins playing field
- Kibworth parks and along the A6
- Skate Park near Bellfields Road.
- Little Bowden Park
- I live in Houghton on the Hill. I have seen piles of abandoned nitrous oxide canisters on the roads around the Leicester airport, particularly just outside Stoughton village. I have also seen them in some of the hedges and ditches on footpaths across the fields behind Houghton church.

- I live in Holmleigh gardens thurnby and people misuse drugs on the car park next to manor friend , I have reported this in the past and I regularly see gas canisters on the park , pathways and fields
- Footpaths en route to Saddington, empty containers presumably thrown from vehicles. Nearby neighbour had empty container outside house - perhaps there own us?
- Connaught Road, Symington Rec
- Cromford Way, Broughton Astley. Canisters dumped on the verge. Chandler Way small park. Often full of teenagers displaying unpleasant behaviour
- parks in Scraftoft, Evington Park, Knighton Park, Abbey Lane Park, Monks Park
- Fields and footpaths near Burnmill Road, also Alvington Way
- Litter in and around Warwick Road Park, Kibworth
- almost everywhere, in particular, Compass Point & Airfield Business Park. For some reason cannisters seem to be discarded on roundabouts making every roundabout potentially leathal for cyclists. If one goes under the front wheel of a cyclist they could be thrown into the path of a vehicle.
- All over Market Harborough town
- Lay by beside the entrance to the Woodlands. There is litter most weekends.
- With my husband and myself we see problems from younger people in the scateboard Park. Welland Park. When we take our dog out now we carry a brush and dustpan and clear up after them, this can include glass, pellet like things or anything left there all just strewn about. We do this regularly.
- Layby near Foxton School, on the Foxton Road, and outside the gates of the Show Ground in Market Harborough
- The skate park off Glebe Road and Little Bowden Park
- Between Great Bowden and the council depot and at the entrance to the Showground
- In the streets around, station Lane, outside the coop stores in scraftoft and Station Lane.
- Park and children's play area off Croft way Broughton Astley often littered with used NO2 capsules
- Compass point - road along to Reicher Shoes
- None
- Welland park , western ave rec , little Bowden park
- I was completely unaware that this is a problem compared to random burglary from neighbours houses - occasional, vandalism and most important internet spamming that nobody seems to do anything about - oh also fly tipping where the response seems patchy thank you
- Local park.
- Main Street, Great Glen
- I have seen piles of the small silver canisters in numerous locations around the district, including around the Airfield business park roundabout, various country lanes such as between Houghton and Gaulby, in the lay-by between Bushby and Stoughton, around the Gartree/Gumley/Foxton area, the lay-by between Tur Langton and Shangton area and other places around the District
- On the road to Foxton, Gallowfield Road , the layby off the B6047 by The Woodlands and recently along Alvington Way.

- In the public open spaces in the Kibworths - Smeeton Road Rec, Warwick Park including children's play area). Also Kibworth Town football club has reported cannisters being littered.
- Northampton Road
- Compass Point Business Park, Little Bowden Rec, Symington's Rec, Welland Park and a lot of lay-bys around the district.
- Little bowden rec.
- Park areas
- I have seen with my own eyes in Welland Park and have been intimidated by antisocial behaviour.
- Little Bowden Rec.
- By the side of the road
- occasionally see the canisters but it's just a littering problem like any other, not a drugs use problem, there need to be more bins available and emptied more often
