Dear Councillor Boulton

#### SCHOOL TRANSPORT TO ROBERT SMYTH SCHOOL

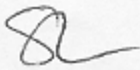

I am writing regarding the bus pick up points in Fleckney. A colleague who attended the West Gartree Community Forum has brought to our attention that there is still some concern about pupils waiting for school buses outside the Mercury Shop.

I have referred to the notes of the site meeting, which took place last year. I confirm that the pick up point was due to be re-sited at the official bus stop adjacent to the Crown Public House Car Park. I am sure measures were taken at the time to introduce the new pick up point but in retrospect has not been successful.

Following discussions with the operator of the contracts concerned, it has been agreed that from Monday, 15<sup>th</sup> November 2004 they will observe this stop. We have written to all students concerned and have supplied them with a new schedule with details of the new pick up point. It has been made clear that if their child is not waiting at a pick up point listed on the schedule there is a risk their child may not be collected.

I hope this will resolve the issue. If you require any further information please contact me on the above number.

Yours sincerely

Sally Little  
School Transport Contract Manager
