

## Using live captions and subtitles

Live Streams of Harborough District Council meetings are now being made available with subtitle / captions.

To turn on live captions and subtitles, select **Captions/Subtitles On**  in your video controls.

### If this doesn't work:

Select **Settings**  > **Captions / Subtitles** and choose English. This will turn captions on.

To change the caption language, select **Settings**  > **Captions / Subtitles**, and choose the language you want.

**Note:** The available languages are set by the live event organizer.

The size and colour of captions can be controlled using the Captions / Subtitles settings option.
