1 Purpose of report

2 Recommendations

2.1 ***That the internal audit progress report attached at Appendix A and the status of outstanding recommendations at Appendix B be noted.***

3 Summary of reasons for the recommendations

4 Impact on communities

4.1 Internal audit work provides assurance to management and Members that appropriate controls are in place to safeguard public money and assets. All audit assignments consider the risk of fraud and opportunities to improve value for money in the services delivered by and on behalf of the Council.

5 Key facts

5.1 **Appendix A** summarises progress against the plan together with the latest available performance information and key audit findings.

5.2 Monitoring the implementation of audit recommendations and holding officers to account for any delays is an important function of this committee. There are

currently seven overdue recommendations, two of which are overdue by more than three months and of a 'medium priority' rating. Further details are provided in **Appendix B**.

- 5.3 The Committee's role includes approving any amendments to the Internal Audit Plan during the financial year. No amendments to the Plan coverage are proposed for the committee's approval at this point.

6 Legal issues

- 6.1 Section 5 of The Accounts and Audit Regulations 2015 require the Council to undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes. The Council has formally delegated delivery of its internal audit function.

7 Resource issues

- 7.1 The Council has commissioned Internal Audit to provide 235 days to deliver the 2021/22 internal audit plan. There is no recommendation giving rise to additional days within this report. Progress against the plan is set out in Appendix A.
