

## Appendix A – Summary of Examiner Recommendations, Gilmorton Neighbourhood Plan

Amendment Ref no	Policy No.	Policy Title	Submission Draft Policy Text	Suggested Revised Policy Text	Reason
1	G1	Countryside	The Countryside (land outside the Gilmorton Limits to Development as defined on the Policies Map) will be protected for the sake of its intrinsic character, beauty, the diversity of its landscapes, heritage and wildlife, the wealth of its natural resources and to ensure it may be enjoyed by all. Development in the Countryside will be strictly controlled in accordance with Harborough Local Plan Policies SS1 and GD3.	No amendments	Policy meets basic conditions
2	G2	Gilmorton Area of Separation	The open character of the Gilmorton Area of Separation, as defined on the adjacent map and the Policies Map, will be retained. The construction of new buildings or inappropriate uses of land which adversely affect this open character or the character and setting of Gilmorton village will not be supported. Major development proposals within the Areas of Separation must assess and address their impact on the setting of Gilmorton Village and the objective of separation and give specific attention to location, design and landscaping appropriate to the character of the area.	No amendments	Policy meets basic conditions

Appendix A – Summary of Examiner Recommendations, Gilmorton Neighbourhood Plan

3	G3	<p><b>Locally Important Views</b></p>	<p>Development should be located and designed in a way that is sensitive to its landscape. Development should safeguard and, where possible, enhance the following important views and vistas (as set out in Appendix 1):</p>	<p><b>Recommended modification 1: In Policy G3</b></p> <ul style="list-style-type: none"> <li>● replace “safeguard” with “not significantly harm”</li> <li>● replace “(as set out in Appendix 1)” with “seen from publicly accessible locations”</li> <li>● insert the list of important views and vistas in the policy</li> </ul> <p><b>Revise the Map of Important Views to that produced in response to my request for clarification</b></p> <p><b>Revised policy text:</b>                  Development should be located and designed in a way that is sensitive to its landscape. Development should not significantly harm and, where possible, enhance the following important views and vistas seen from publicly accessible locations</p>	<p><b>Clarity and to correct ambiguity</b></p>
---	----	---------------------------------------	---	---	--

Appendix A – Summary of Examiner Recommendations, Gilmorton Neighbourhood Plan

<p><b>4</b></p>	<p><b>G4</b></p>	<p><b>Public Rights of Way Network</b></p>	<p>Development should protect the Rights of Way and wherever possible create new links to the network including footpaths and cycle ways. The extension of the existing Rights of Way network to re-create a 'Gilmorton Round' across open fields is encouraged.</p>	<p><b>Recommended modification 2: In Policy G4</b></p> <ul style="list-style-type: none"> <li>● <b>replace "the Rights" with "public Rights"</b></li> <li>● <b>replace existing Rights" with "existing public Rights"</b></li> <li>● <b>replace "encouraged" with "supported"</b></li> </ul> <p><b>Revised policy text:</b>                  Development should protect the public Rights of Way and wherever possible create new links to the network including footpaths and cycle ways. The extension of the existing public Rights of Way network to re-create a 'Gilmorton Round' across open fields is supported.</p>	<p><b>Clarity and to correct ambiguity</b></p>
-----------------	------------------	--	--	---	--

<p>5</p>	<p>G5</p>	<p><b>Ecology and Biodiversity</b></p>	<p>Policy G5: Ecology and Biodiversity Development should not harm the network of local ecological features and habitats which includes (as shown on the Policies Map):</p> <ul style="list-style-type: none"> <li>A. Hedgerow north-west of Cotes de Val</li> <li>B. Old Fishponds in corner of improved grassland</li> <li>C. Pond, bordering Peatling Road</li> <li>D. Pond between improved grassland and arable field</li> <li>E. Dismantled Railway</li> <li>F. Pond</li> </ul> <p>New development will be expected to maintain and enhance existing ecological corridors and landscape features (such as watercourses, hedgerows and tree-lines) for biodiversity thus demonstrating overall net-gain. All new buildings should incorporate measures to enhance biodiversity.</p>	<p><b>Recommended modification 3: In Policy G5 delete “which includes” Make label F on the Policies Map more visible.</b></p> <p><b>Revised policy text:</b></p> <p>Policy G5: Ecology and Biodiversity Development should not harm the network of local ecological features and habitats (as shown on the Policies Map):</p> <ul style="list-style-type: none"> <li>A. Hedgerow north-west of Cotes de Val</li> <li>B. Old Fishponds in corner of improved grassland</li> <li>C. Pond, bordering Peatling Road</li> <li>D. Appendix A – Summary of Examiner Recommendations, Gilmorton Neighbourhood Plan

				J. Access and haul routes for construction vehicles, deliveries, waste vehicles, etc. Routes should not pass through Gilmorton village centre.	
<b>12</b>	<b>G12</b>	<b>Housing Mix</b>	New housing development shall provide for a mix of housing types that will be informed by the most up to date Strategic Housing Market Assessment and local evidence of housing need. Applicants will need to demonstrate how the housing needs of older households and the need for smaller homes will be met.	<b>No amendments</b>	<b>Policy meets basic conditions</b>

<p><b>13</b></p>	<p><b>G13</b></p>	<p><b>Affordable housing</b></p>	<p>The Harborough Core Strategy requires 40% of new dwellings to be affordable. Consequently, over 50 new affordable houses will be built in Gilmorton over the coming years through the development of existing housing commitments. Therefore, we do not consider it necessary to make provision for additional affordable homes on 'Rural Exception Sites', i.e. sites that would not normally be released for private market housing.</p>	<p><b>Recommended modification 9: In paragraph 7.13 replace the text after "consider" with "clearly evidenced local affordable housing need will be evidenced to support approval of rural exception sites in accordance with strategic Policy H6"</b></p> <p><b>Revised policy text:</b>                  The Harborough Core Strategy requires 40% of new dwellings to be affordable. Consequently, over 50 new affordable houses will be built in Gilmorton over the coming years through the development of existing housing commitments. Therefore, we do not consider clearly evidenced local affordable housing need will be evidenced to support approval of rural exception sites in accordance with strategic Policy H6.</p> <p>Addendum – correction of error:  <i>Core Strategy should read 'Local Plan'</i></p>	<p><b>To ensure the policy meets the requirements of national policy.</b></p> <p><b>Accuracy.</b></p>
------------------	-------------------	----------------------------------	---	--	---

<p><b>14</b></p>	<p><b>G14</b></p>	<p><b>Transport</b></p>	<p>New development that would generate additional traffic in Gilmorton village will only be supported where it can be demonstrated that the following transport conditions will not be made worse:</p> <p>A. Traffic and parking at drop-off and pick-up times at Gilmorton Chandler Church of England Primary School; and</p> <p>B. On-street parking near the Crown Inn and Village Stores on Main Street, The Crown and Grey Goose public house/restaurants.</p> <p>Such development should also give consideration to opportunities to reduce speeding traffic through Gilmorton village.</p>	<p><b>Recommended modification 10: In Policy G14 replace “New” with “Major”</b></p> <p><b>Revised policy text:</b>                  Major development that would generate additional traffic in Gilmorton village will only be supported where it can be demonstrated that the following transport conditions will not be made worse:</p> <p>A. Traffic and parking at drop-off and pick-up times at Gilmorton Chandler Church of England Primary School; and</p> <p>B.
