|--|--|--|
| <b>Provision of Off Street Electric Vehicle Charging Points in Car Parks</b> | RESOLVED that subject to the success of the grant bid submission to the Office of Low Emission Electric Vehicles, an agreement be entered into with Electric Blue for the provision of 10 electrical vehicle charging points in identified car parks in Market Harborough. | To support the Council's commitment to reducing carbon emissions.  |
| <b>EXEMPT: Business Case for Customer Services</b>                           | RESOLVED that the recommendations in the report be agreed.   | The importance of a customer call centre to any organisation cannot be emphasised strongly enough. As well as representing the Council, it needs to provide a consistent efficient and effective customer journey. |
