Dear Chris

Pitch Development - Northampton Road

Further to our July meeting, both the Harborough Town Juniors and Kibworth RFC have discussed the scheme at Committee level. Both clubs are very keen to progress with the project as a matter of some urgency. It was agreed that a 28 year lease would be a suitable way forward.

We have looked at a drainage scheme and would anticipate HDC committing the £12,000 towards the scheme. In consultation with others, including the Rugby Football Union, Lottery Funding would seem to be the best avenue for additional funding.

I would suggest that the next move might be a site meeting with yourself and John Spiers - hopefully next week - in order to prepare the proposal for full HDC Committee approval.

I look forward to hearing from you.

Simon Medwell

On behalf of Harborough Town Juniors FC and Kibworth RFC
