Great Glen - St Cuthberts Primary School	GLEN	AG, AN	Great Glen Village hall has been the designated polling station for this area. Last year the hall was closed and is not available for the foreseeable future. The Community hall within St Cuthberts Primary School

			was used for the District elections 2023 and proved to be satisfactory for this purpose. The recommendation is to ratify the facility as the polling place for the polling district. Should Great Glen Village Hall become available at a later date a decision can be made whether this should be reviewed.

MH - Church of Saint Nicholas extension	MH- LITTLE BOWDEN	XX, XXX	The building was used in the District elections in 2023 due to issues with the designated building MH CE Academy and proved to be satisfactory for this purpose. The recommendation is to ratify the facility as the polling place for the polling district.
MH - Congregational Church Hall A	LUBENHAM	V,VV	This polling district has been created due to the recent development within Market Harborough in the area known as Airfield Farm. At this stage the only alternative for voters would be to vote at Lubenham Village Hall which is quite a distance from most of the properties. At this time there is no facility available at the development but both a scout hut and school are anticipated to be built in the future. For the District Election 2023 the Congregational Hall on Bowden Lane was used address and proved to be satisfactory for this purpose. The recommendation is to ratify the facility as the polling place for the polling district until a suitable facility is built within the polling district.

MH - Meadowdale Primary School Main Hall	MH- LITTLE BOWDEN	X	No alternative recommendations
MH - Ridgeway Academy	MH – GREAT BOWDEN & ARDEN	YY	Despite correspondence received regarding noise and disruption for voters we have not received any complaints with regard to this facility. We are aware that the use of schools for polling stations can be disruptive on the day. External fencing is erected to separate voters from the school. Access for voters is by a separate door directly into the hall ensuring no access to pupils. We have looked at alternative venues but at this time there is not a suitable alternative facility, therefore the school will remain the designated polling place for this polling district

Scraptoft Village Hall	THURNBY & HOUGHTON	RID	Scraptoft Village Hall is the designated polling station for this area. There is limited disabled access to the building and no parking, leading to staff and electors parking on roads outside. A visit by Officers was carried out on the Community Hub in Malsbury Avenue on the advice of Scraptoft Parish Council. The building is easy to reach, has vehicular and pedestrian access. Parking for a number of vehicles and disabled access. The Lounge is a perfect size for use as a polling station and it has been confirmed that it would be made available to the Returning Officer for future elections. <u>As Scraptoft Village Hall has been booked for the PCC election on 2nd May it is recommended that the</u>

			Community Hub is designated as the Polling Place for all future elections after 2nd May 2024.
