Notes:

1. **Inclusive Play**
To include all activities accessible or usable by disabled people. All sites to be included.

2. **Equipment**
Equipment provided should be that required by the specification at each site. All sites included.

3. **Total Activities**
Each Mulitplay unit should be scored on the number of activities it contains, to a maximum of six. Other individual items are scored as one.

4. **Conformity to EN 1177**
Each multiplay unit counts as one, as does each individual piece of equipment.

LEAP Standard.
1 Balancing
2 Rocking
3 Climbing
4 Sliding
5 Social play
