

PAPER NO. 1

REPORT TO THE EXECUTIVE MEETING OF 5 DECEMBER 2016

Meeting: Executive
Date: 5 December 2016
Subject: Performance: Quarter 2, 2016/17
Report of: S. Riley, Head of Finance and Corporate Services
and Section 151 Officer
Portfolio Holder: Councillor Rickman, Performance Management and Rural Portfolio
Status: For consideration
Relevant Wards: All

1 Purpose of the Report

1.1 To present the Executive with details of the performance of the Council against the Corporate Delivery Plan for Quarter 2 of the 2016/17 year.

2 Recommendations:

2.1 **That the Executive receives and considers the performance of the Council at the end of the Quarter 2 of the 2016/17 year.**

3 Summary of Reasons for the Recommendations

3.1 Performance is monitored and reported on to Officers and Members on a quarterly basis as part of the Council's Performance Management Framework¹. Performance Reports are submitted to both Scrutiny and the Executive via quarterly reports.

4 Key Facts

4.1 This report consists of:

- **Appendix A: Key Activities in Detail**

This contains a performance summary of each of the Key Activities identified in the Corporate Delivery Plan for the 2016/17 year including a status, progress comment and next steps.

¹The current version of the Performance Management Framework was approved by the Executive on 11 January 2016.

- **Appendix B: Strategic Performance Dashboard**

The Strategic Performance Dashboard consists of the Council's key performance indicators for each priority, and is designed to provide an overview of how the Council is performing. The Council's Performance Management database² contains information on a wider range of performance indicators including further indicators from the Corporate Delivery Plan and operational indicators. Exceptions are being addressed through one-to-one Portfolio Holder meetings and the Performance Improvement Board. The status of these items is categorised as either 'Green' (on or better than the set target), 'Amber' (within a tolerance of 5% below the target) or 'Red' (5% or more below target). The Direction of Travel column indicates whether the indicator has changed status since the previous month. Direction of Travel is stated as either 'Better', 'Same' or 'Worse'.

4.2 Officers are required to provide a status of Green, Amber, Red or Complete for each Key Activity. Definitions of these are as follows:

Status	Description
Red	Planned actions have not been achieved or have missed their target date. Issues are now impacting on delivery or expected outcomes.
Amber	Most actions completed. Some issues recognised which may impact on the delivery or expected outcomes.
Green	Planned actions completed, project on track. There are no known issues.
Complete	The project has been completed.

5 Points for discussion

5.1 Performance Summary

5.1.1 Status of Key Activities

Figure 1 below shows the status of all 60 Key Activities at the end of Quarter 2 of the 2016/17 year. 4 (6.7%) Key Activities have been completed. 46 (76.7%) Key Activities have a status of Green, and 9 (15.0%) have Amber status. 0 (0%) Key Activities were classed as Red status. One Key Activity (1.7%) has been deferred until the 2017/18 year.

5.1.2 Summary of Key Activities at the end of Quarter 2 of the 2016/17 year

Table 1 below provides a summary of Completed Key Activities:

Key Activity Reference	Description	Status
KA.07.03	Implement the outcomes of the Third Sector Strategy	Complete
KA.08.01(a)	KA.08.01(a) Conduct Police and Crime Commissioner Election	Complete
KA.08.01(b)	KA.08.01(b) Conduct EU Referendum	Complete
KA.15.04	Develop improved signposting to services with partners through website and partnerships	Complete

Table 1

Table 2 below provides a summary of Green status Key Activities:

Key Activity Reference	Description	Status
KA.01.03	Engage with communities to help them deliver Neighbourhood Planning	Green
KA.01.04	Determine planning applications in accordance with national guidance	Green
KA.01.05	Ensure Sustainable Urban Drainage (SUDS) is delivered, via the Planning process	Green
KA.01.06	Ensure that there is a robust evidence base for the community facilities required as a result of growth	Green
KA.01.07	Implement the recommendations from the review of the benefits of the Community Infrastructure Levy (CIL)	Green
KA.02.01	Achieve delivery of an appropriate mix and type of housing that meets local need throughout the District, across all tenures	Green
KA.02.02	Ensure supply of existing and new affordable housing lettings is targeted to those most in need	Green
KA.03.01	Delivery of service changes arising from the revised Environmental Services contract	Green
KA.03.02	Work in partnership to reduce crime and anti-social behaviour (ASB) and improve support for vulnerable victims	Green
KA.03.03	Implementation of the Open Spaces Strategy	Green
KA.04.01	Work in partnership with Public Health to deliver and commission services that improve physical activity levels and work through the local Health and Wellbeing Partnership to enable healthy lifestyles, support an ageing population and maintain positive mental health	Green
KA.04.02	Assess the community's needs for leisure and recreation	Green
KA.04.03	Develop an options appraisal to inform the future of the two Council-owned leisure centres	Green
KA.05.01	Refresh and implement the Council's Communications Strategy	Green
KA.05.03	Businesses are informed and listened to	Green
KA.05.04	Provide effective liaison with parishes on District and local priorities	Green
KA.06.01	Implement the new Medium-term Financial Strategy (MTFS)	Green
KA.06.02	Promote further Channel Shift	Green
KA.06.03	Ensure all grant funding is effectively and efficiently managed to meet Council priorities	Green
KA.06.04	Review of Council size and warding arrangements to Local	Green

	Government Boundary Commission for England (LGBCE), subject to LGBCE timetable	
KA.06.05	Undertake options appraisals for alternative service delivery models	Green
KA.06.06	Work with partners on combined authority proposals	Green
KA.06.07	Develop financial resilience through reduced dependency on central government funding, through implementation of the Medium-term Financial Strategy	Green
KA.07.01	Implement the agreed outcomes of the Property Strategy	Green
KA.07.02	Work with the Leisure Trust to ensure compliance with contractual obligations	Green
KA.07.04	Implement Year One of the Car Parking Strategy Action Plan	Green
KA.07.05	Implement the revised management arrangements of the Harborough Innovation Centre (HIC)	Green
KA.07.06.02	Develop and implement business plans for the Council's potential commercial services: Commercialisation of the Trade Waste Service	Green
KA.07.06.03	Develop and implement business plans for the Council's potential commercial services: Commercialisation of the Lifeline Service	Green
KA.07.07	Maximise income generation through the adopted operating model	Green
KA.08.02	Conduct Neighbourhood Plan referenda	Green
KA.09.02	Further develop the support package for local businesses	Green
KA.10.03	Create the conditions to encourage business rates growth	Green
KA.11.01	Signpost businesses to support and advice available	Green
KA.11.02	Ensure Council procurement supports local business	Green
KA.11.03	Support rural businesses to access funding initiatives such as the LEADER programme and other, available funding streams	Green
KA.12.01	Influence the rollout of broadband through the Superfast Leicestershire Broadband programme	Green
KA.12.02	Maximise digital infrastructure improvements by working with communities	Green
KA.13.01	Work with partners to support the ongoing development and sustainability of the Market Harborough Museum	Green
KA.13.02	Develop the culture and tourism offer for the Harborough District	Green
KA.14.02	Implement the outcomes from the Homesearch, Housing Advice and Homelessness Service Review	Green
KA.14.03	Review the Council's Housing Strategy	Green
KA.15.01	Review the Harborough Lifeline Service	Green
KA.15.02	Support the most vulnerable as a part of Universal Credit rollout	Green
KA.15.03	Evaluate the success of intervention projects for vulnerable people, for instance the Light Bulb Project; implement the agreed Lightbulb delivery model following the evaluation of the intervention pilot projects	Green
KA.15.05	Continue to work with partners to manage the ongoing impact of Welfare Reform	Green

Table 2

Table 3 below provides a summary of Amber Key Activities:

Key Activity Reference	Description	Status
KA.01.01	Submission of Local Plan for examination	Amber
KA.01.02	Progress the identification of land for housing development to meet housing needs	Amber
KA.07.06.01	Develop and implement business plans for the Council's potential commercial services: Building Control.	Amber
KA.08.03	Achieve Public Services Network (PSN) Code of Conduct (CoCo) certification	Amber
KA.08.04	Implementation of Lutterworth Air Quality Action Plan	Amber
KA.09.01	Improve ease of access to Council services by District businesses	Amber
KA.10.01	Develop and implement the Economic Development (ED) Strategy	Amber
KA.10.02	Develop the Move-on Space Project, subject to available funding	Amber
KA.14.01	Implementation of the Council's Empty Property Strategy	Amber

Table 3

Table 4 below provides a summary of Deferred Key Activities

Key Activity Reference	Description	Status
KA.05.02	Carry out a District-wide survey of residents	Deferred until the 2017/18 year

Table 4

5.1.3 Performance Improvement Board (PIB)

During the second quarter of the 2016/17 year, the focus of the PIB was:

- Monitoring the progress of Team Plans and making recommendations where necessary.
- ensuring the integrity of Key Performance Indicators. At each of its meetings in this Quarter the PIB received evidence of data sampling exercises.

During the third Quarter of the 2016/17 year, the focus of the PIB will be to ensure that performance remains on track. This will be achieved via rigorous challenge of key performance indicators and/or Key Activities that are trending into Amber and/or Red status. The PIB will also continue to monitor the progress of Team Plans during the third quarter of the 2016/17 year.

5.1.4 Exceptions

Performance indicators on the Strategic Performance Dashboard identified as below target at the end of Quarter 2 were as follows:

5.1.5 Performance Indicators

- **Adequate supply of ready to develop housing sites compared to requirement (achievement of five-year land supply)**

End of Quarter 2 Status = Red

The latest five-year housing supply calculation was produced on 24 June 2016, based on information at 31 March 2016

It shows that housing delivery in 2015/16 (636 units) exceeded requirements (475 dwellings pa) by 161 units and future housing supply has grown from 4.37 years to 4.66 years (93%) since the last calculation in March 2016.

Rates of housing delivery have increased over the past couple of years and we recorded some 636 completions in 2015/16 which is the highest recorded in recent years. This is helping the Council meet its long-term, five-year requirements. However, the Council still remains short of the five-year housing supply target (and additional 20% buffer) and, as a result, has to approve planning permissions in the absence of this target being met.

Forecasting future rates of housing delivery from sites with planning permission is the key determinant of a housing supply calculation. Officers liaise with housebuilders and with development management officers to obtain robust estimates of future likely housing delivery based on the status of each site. The final calculation was made using feedback on sites received from development management officers. Estimates of delivery from Airfield Farm went down, as did Charity Farm, Thurnby compared to five year delivery rates in the previous assessment owing to revised expectations of building starting on site. All of the small sites data were similarly reviewed. The Council's calculation has to be robust and realistic as it is subject to challenge on appeal.

- **Working days lost due to Sickness Absence (target of less than 7.6 days per FTE) during 2016/17**

End of Quarter 2 Status = Red

At the end of Quarter 2 of the 2016/17 year an average of 4.1 working days had been lost due to sickness absence. The target at the end of Quarter 2 was for no more than 3.80 days per full-time equivalent employee to be lost. This performance indicator was therefore considered to be performing worse than target at the end of Quarter 2.

As per the first quarter, a major factor affecting sickness absence during the second quarter was long-term sickness cases. 'Long-term

sickness absence' is considered to be anything over a continuous three-week period. Short term sickness absences have reduced.

A total of five people have been off work due to long-term sickness absence during the second quarter, two have been absent since the beginning of Quarter 1 and will be continuing until further notice. The Attendance Management Policy provides that when someone returns to work on a phased return they are paid for the actual hours they work, the remaining days are usually recorded as sickness absence, unless the employee chooses to use annual leave. In the phased returned cases mentioned above for Quarter 2 they have chosen to use their remaining sickness absence and therefore this has had an impact on the total sickness absence days for the quarter

All long-term sickness cases are being effectively managed which includes regular management contact.

Through regular Human Resources Business Partner Meetings with Service Managers, a number of measures are discussed to support managers in managing employee absence consistently. These are:

- The holding of return to work interviews for every instance of absence (regardless of length of absence).
- The application of a trigger mechanism after which managers hold formal absence meetings with employees.
- The availability of support services where required, including, Occupational Health, and counselling services.

Short-term sickness absence at the Council continues to be perform better than the industry average. To provide a clearer picture of the impact of both short- and long-term sickness absence, the following performance indicators will be measured during the 2017/18 year:

- Working days lost due to Sickness Absence (total).
- Working days lost due to Sickness Absence (short-term only).
- Working days lost due to Sickness Absence (long-term only).

○ **95% of Payments to creditors made within 30 days**

End of Quarter 2 Status = Red

At the end of Quarter 2 the Council was achieving an average value of 87.6% of payments to creditors made within 30 days. This indicator was therefore considered to be Red status.

Mitigating Actions Undertaken

- Continued monitoring of e-procurement, and ensuring supporting requisitioners to use the system efficiently.

- Weekly list of invoices received and registered sent to managers to action.
- Performance statistics have been broken down further between purchase order invoices and non-purchase order invoices and sent out monthly.

The Council processes over 6,000 invoices a year. Focused and regular monitoring in the last quarter has led to a significant reduction in invoices over 60 days old (many of which are in dispute). This monitoring is now provided to budget holders on a weekly basis.

- **25% of tenders, quotations or estimates above £10,000 in value that led to contract being awarded to a local supplier**

End of Quarter 2 Status = Red

At the end of Quarter 2 of the 2016/17 year 9.09% (1 of 11) of tenders, quotations or estimates above £10,000 in value led to a contract being awarded to a local supplier.

Reason/ Comments

So far in the 2016/17 year the goods, works and services procured by the Council have been of a specialist nature (for example, specialised planning consultancies, Occupational Health provision, IDOX [an ICT system] and Council Tax single person discount review), or for large-scale contracts where most suppliers are national companies (insurance, electricity supplies). Probably the most important factor has been the absence of any local companies able to compete for the specialist consultancy contracts required to support the Local Plan.

As a result, the percentage awarded to local businesses has slipped below the target. However, where procurement from local business was possible, the Council was successful, for example it was able to use a local telecommunications company to provide mobile phones.

6 Legal Issues

6.1 None arising directly from this report.

7 Resource Issues

7.1 None arising directly from this report.

8 Equality Analysis Implications/Outcomes

8.1 Equality actions are identified as part of the Business Planning Process and are captured where relevant for each Key Activity.

9 Risk Management Implications

9.1 Risks are managed alongside performance through the Council's Performance Management database. Quarterly risk reports are provided to the Executive and the Performance Scrutiny Panel.

10 Consultation

10.1 At its meeting on 15 December 2016, the Performance Scrutiny Panel will consider the Council's performance at the end of Quarter 2 of the 2016/17 year.
