

001 R1 CGF 22/23	<p>Organisation: Great Glen Parish Council Project: Inclusive play and gym equipment Total amount of project: £74k Amount requested: £70k Matching funding if applicable: £4k – own funds</p> <p>Officer panel score: 78.1 Recommendation: Fund Suggested specific conditions and/or match funding signposting: Standard T&C's apply. Include HDC logo</p>
Application Summary	<p>2.Promoting health and wellbeing and encouraging healthy life choices</p> <p>Project consists of four elements which though distinct are simultaneously cohesive.</p> <ol style="list-style-type: none"> 1. Assessable interactive imaginative play - install a “jeep” springer which has an accessible ramp to the rear & a level access roundabout which is wheelchair friendly 2. Equipment which test, train and provide the opportunity for physical and mental improvement aimed at primary age residents to exercise and progress - Monkey bars & an “A” frame climbing wall 3. Outdoor gym – 3 pieces of equipment (also be accessible to wheelchair users) aimed at parents but inclusive to all 4. Provide a space for pre-teen and teenage residents - relocation of cantilever swing and the installation of a senior climbing unit which provides multi-disciplines such as cargo net, climbing bars and hanging ropes <p>Supported by Cllr's Mahal and Hallam</p>
Comments from Officers Panel	<ul style="list-style-type: none"> • Only 2 quotes - PC have struggled to secure 3 quotes due to issues with contractors, availability and the ability to meet the needs of the project. The PC have applied due diligence. • The PC have regular contact with their junior council – this is a refreshing approach and should be supported. • The projects are intergenerational as includes adult outdoor gym equipment as well as accessible equipment. • Consulted with Scope who have provided a detailed report on assessable play equipment • Projects incorporates enhancing outside spaces, physical activity, young people and supports mental health – all very relevant and important <p>No financial concerns</p>

002 R1 CGF 22/23	<p>Organisation: Claybrooke Magna Parish Council Project: Jubilee footpath walk Total amount of project: £70,700.00 Amount requested: £70,000.00 Secured matching funding if applicable: £700.00</p> <p>Officer panel score: 75.1 Recommendation: Fund Suggested specific conditions and/or match funding signposting: Standard T&C's apply. Include HDC logo</p>
Application Summary	<p>1.Community leadership to create a sense of pride in our place 2.Promoting health and wellbeing and encouraging healthy life choices 3.Creating a sustainable environment to protect future generations</p> <p>This is a new project to convert a verge used by residents to join an existing footpath in the village with installation of 9m PROW pedestrian footbridge.</p> <p>The footpath will provide a safe, sustainable additional walking route for the village for generations to come. This will improve the environment and natural character of the area as well as providing the known physical and mental health benefits associated with walking in the countryside</p> <p>Supported by Cllr Page</p>
Comments from Officers Panel	<ul style="list-style-type: none"> • A specification was drawn up with the help of a local contractor which was then used to submit for other tenders verbally by phone. • 7 contractors were contacted but only two have quoted. The other 5 contractors, whilst setting out that this type of work could be done in their websites, saw the spec of work required and declined the job. • Evidence provided of contact with other contractors who declined – due diligence has been applied. • The land is owned by LCC and they have been contacted about the proposed project which has been confirmed. LCC will be expected to maintain the footpath and the bridge • Consultation has been carried out in the form of a village survey • Organisation will be reclaiming VAT– Quote is £70,700.00 excluding VAT <p>No financial concerns</p>

003 R1 CGF 22/23	<p>Organisation: South Kilworth Parish Council Project: MUGA Total amount of project: £88k</p>
-----------------------------	---

	<p>Amount requested: £70k Matching funding if applicable: £18k - s106</p> <p>Officer panel score: 80.5 Recommendation: Fund Suggested specific conditions and/or match funding signposting: Standard T&C's apply. Include HDC logo</p>
Application Summary	<p>2.Promoting health and wellbeing and encouraging healthy life choices</p> <p>The PC hopes to add to their facilities by building a Multi-Use Games Area (MUGA), within the boundaries of the village playing fields. Within the village, there are currently 4 football pitches, a children's playground, outdoor gym, bowling green and a large field for cricket, rounders etc. However, there currently is no external hard surfaced dedicated facility for year round use. All of these facilities are in regular use and very much appreciated, not only by the people of South Kilworth, but also neighbouring parishes. The site for the proposed MUGA is directly opposite the local primary school, which doesn't currently have access to an all-weather pitch. The proposed project would provide the children with sports facilities that they don't have at the moment, e.g. netball, plus many others.</p> <p>Supported by Cllr Nunn</p>
Comments from Officers Panel	<ul style="list-style-type: none"> • Pre-planning application has been discussed with HDC, Ref: PREAPP/22/00227 • Regular village meetings held, last one being April 2022 where MUGA was very well supported • Project reaches to surrounding villages • Holders of the title for the land to be used. • Access for school over the road who don't currently have suitable access to all-weather pitch • Sporting events well attended during summer by 5-13 year olds, highlighting interest amongst that age-group <p>No financial concerns</p>

004 R1 CGF 22/23	<p>Organisation: Scraptoft Parish Council Project: History Trail Total amount of project: Unable to confirm Amount requested: £70k Matching funding if applicable: N/A</p> <p>Officer panel score: 0 Recommendation: Not to fund Suggested specific conditions and/or match funding signposting: N/A</p>
Application Summary	<p>1.Community leadership to create a sense of pride in our place 2.Promoting health and wellbeing and encouraging healthy life choices 3.Creating a sustainable environment to protect future generations</p> <p>Historical trail around Scraptoft, installing a series of handmade rustic noticeboards.</p>
Comments from Officers Panel	Officer worked with clerk to try and enhance this project but project was deemed too much in its infancy. Applicant withdrew.

005 R1 CGF 22/23	<p>Organisation: Lutterworth Church Project: Renovate Community Centre to make fully accessible and inclusive. Total amount of project: £116,633.60 Amount requested: £70k Matching funding if applicable: Applied for £25k – Lutterworth Area Community Fund (Magna Park) Agreed in principal, waiting for match funding. Applying for changing places levelling up grant £20k. Shortfall s106 – amount TBC</p> <p>Officer panel score: 81.7 Recommendation: Fund Suggested specific conditions and/or match funding signposting: Standard T&C's apply. Include HDC logo. Subject to planning permission is applicable. Subject to additional financial check</p>
Application Summary	<p>1.Community leadership to create a sense of pride in our place 2.Promoting health and wellbeing and encouraging healthy life choices 3.Creating a sustainable environment to protect future generations</p> <p>Complete renovations and expansion of the potential of the building's use to provide a community centre space for vital existing projects such as Foodbank and other core community groups and also offer the space and services to local schools & educational facilities, the NHS, voluntary organisations and existing groups which support vulnerable members of our community such as SNACS, any cultural or arts groups too on an adhoc or ongoing basis.</p>

	<p>This application for funding is for major renovations only to create: Plumbing/Changing Places Kitchen Area for Inclusivity including appliances Structural Wall, Steels, Doors & Windows & plastering throughout Joinery including Meeting Room & Foodbank Storage Electrics Landscaping to the rear improved access & remedial works to exterior Parish support</p> <p>Supported by Cllr Beadle</p>
<p>Comments from Officers Panel</p>	<ul style="list-style-type: none"> • Full structural and condition surveys of this building have been carried out and conversations with planning department predict this does not need permission. • Project is sustainable • Exit route and legacy good • Not all items have 3 quotes as put out to tender and different firms will be carrying out different elements of work but comparable • Organisation not VAT registered and will not be reclaiming • Intend to dedicate the main room and restored entrance to Her Majesty Queen Elizabeth the second. • Working with HDC Economy & Business Service Manager David Wright. Submitted EOI to apply and secure a changing places grant for specialised toilet facilities – confirmed. • The Parochial Church council of the Ecclesiastical parish of St Marys Lutterworth (1134507) donating the space agreed verbally. Permission from church and long term lease still needed. <p>Financial check completed. This project was put out to tender and quotes gathered crossed over. One specialised kitchen quote from Astley Kitchens that incorporates an inclusive servery area for wheelchair users which others could not quote on.</p>

<p>006 R1 CGF 22/23</p>	<p>Organisation: Lutterworth Parish Council Project: Refurbish play area Total amount of project: £120k Amount requested: £70k Matching funding if applicable: £5,437.74 s106 available and applied for. Balance of £44,562.26 own reserves</p> <p>Officer panel score: 80.9 Recommendation: Fund Suggested specific conditions and/or match funding signposting: Standard T&C's apply. Include HDC logo. Consultation to be carried out and submitted to HDC before purchasing. Subject to planning permission if needed</p>
<p>Application Summary</p>	<p>Community leadership to create a sense of pride in our place Promoting health and wellbeing and encouraging healthy life choices Creating a sustainable environment to protect future generations</p> <p>Remove existing play equipment in Coventry Road play area and replace with new equipment to include creative role play, sensory and accessibility. Rename the area Platinum Jubilee play area.</p> <p>Supported by Cllr Beadle</p>
<p>Comments from Officers Panel</p>	<ul style="list-style-type: none"> • Promoting health and wellbeing should be a high priority. Creating free places where people and children be active is more important than ever considering the cost-of-living crises. The park will be made more accessible which is a necessity and complies with the equality act • No actual consultation yet but complaints have been received from the public. They want to engage with public at later stage to gain their preferences from the quotes obtained. • May need planning permission dependant on height of equipment chosen. • The Town Council have a good reputation delivering projects. <p>No financial concerns</p>

<p>007 R1 CGF 22/23</p>	<p>Organisation: Ashby Parva Village Hall Project: Multi-functional, all-encompassing garden Total amount of project: £82,303.00 Amount requested: £70k Matching funding if applicable: £10k Awards for All, £2,303.00 Own Reserves</p> <p>Officer panel score: 96.3 Recommendation: Fund Suggested specific conditions and/or match funding signposting: Standard T&C's apply. Include HDC logo</p>
--------------------------------	--

<p>Application Summary</p>	<p>Community leadership to create a sense of pride in our place Promoting health and wellbeing and encouraging healthy life choices Creating a sustainable environment to protect future generations</p> <p>A multi-functional, all-encompassing garden. The garden redesign focuses around 7 main areas (one for each decade of Her Majesty's reign):</p> <ol style="list-style-type: none"> 1. A new children's play area 2. A community food garden 3. A large patio for formal functions 4. A sensory garden to connect people to nature and encourage them to become more aware of their surroundings 5. A quiet area with a reflective pool to promote good mental health and mindfulness 6. An environmental area with greenhouse, compost bin and rainwater harvesting to promote sustainability, recycling and waste reduction 7. A pavilion for informal functions, spontaneous gatherings and to add some permanent shelter <p>Supported by Cllrs Page and Bannister</p>
<p>Comments from Officers Panel</p>	<ul style="list-style-type: none"> • Only 2 quotes for play area but this is a common problem as there are still issues with contractor availability and materials. • Exciting project with an active space designed to keep residents physically and mentally well • The variety of spaces should support the majority of activity and compliment the inside space. • Realistic land improvements for better utilisation of key community asset. Sustainable practices to ensure sustainable inclusivity for the village and parish, with other amenities available for wider district benefit. • Community involved with development with vision being shared and education on the process being delivered. • Parish support <p>No financial concerns</p>

<p>008 R1 CGF 22/23</p>	<p>Organisation: Houghton Village Hall Association Project: Redevelopment of the Club Room Total amount of project: £168,000.00 Amount requested: £70k Matching funding if applicable:</p> <p>Officer panel score: 0 Recommendation: Not to fund Suggested specific conditions and/or match funding signposting:</p>
<p>Application Summary</p>	<p>3 Creating a sustainable environment to protect future generations</p> <p>The project will expand the community facilities of our village hall by adding to the Main Hall, a second suite of facilities which can be hired completely separately or used as an expansion of the Main Hall for larger events. This new suite will be multi-purpose, providing one large room with associated entrance lobby, toilets, kitchenette, and storage space. This is not an expansion of the built area, it is a re-development of a 90-year old area of the existing building and to provide an exemplar of energy efficiency in refurbishing as old building.</p> <p>Supported by Cllr Galton</p>
<p>Comments from Officers Panel</p>	<p>This project is deemed to be too much in its infancy to be presented to the panel for this grant stream. Unable to enter the tender process until they have planning and Building Regulations approval, but this cannot be achieved until architectural drawings have been drawn up.</p>

<p>009 R1 CGF 22/23</p>	<p>Organisation: North Kilworth Parish Council Project: Purchase of land Total amount of project: unknown Amount requested: £70k Matching funding if applicable:</p> <p>Officer panel score: 0 Recommendation: Not to fund Suggested specific conditions and/or match funding signposting:</p>
<p>Application Summary</p>	<p>2 Promoting health and wellbeing and encouraging healthy life choices 3 Creating a sustainable environment to protect future generations</p> <p>Purchase of additional land to house additional pitch facilities, potential play areas for young children and teenagers and a potential dog walking area.</p>

Comments from Officers Panel	This project is deemed to be too much in its infancy to be presented to the panel for this grant stream. They have not entered into discussions yet with the landowner and do not know how much the land would be.
010 R1 CGF 22/23	<p>Organisation: All Saints Church, Gilmorton Project: New inner porch with glass etched commemorative doors and internal community area Total amount of project: £99,760k Amount requested: £70k Matching funding if applicable: £14,760.00 Own Reserves. Also applied for £10k Historic Church Association, £5k Windfarm fund</p> <p>Officer panel score: 64.5 Recommendation: Fund Suggested specific conditions and/or match funding signposting: Standard T&C's apply. Include HDC logo. Gather more evidence of consultation and evidence of how the space will be used.</p>
Application Summary	<p>1.Community leadership to create a sense of pride in our place 3.Creating a sustainable environment to protect future generations</p> <p>New inner porch with glass etched doors to commemorate the Queens jubilee and create an open internal community area within the church on North aisle side</p> <ul style="list-style-type: none"> • Remove and dispose of the existing internal porch door and frame • Supply and install new bespoke internal porch consisting of an oak glazed door and frame. • The glass is to be sourced from an approved ecclesiastical provider and etched with a design to be agreed commemorating the Queen's Platinum Jubilee • Remove and dispose of nine pews in the north aisle • Remove and dispose of the entire existing floor to the north aisle • Disconnect the existing radiators to the north aisle, re-route and extend the pipework as necessary. Supply and install new radiators and recommission boiler • Remove existing floor sub-base to north aisle and re-screed • Supply and install surface damp proof membrane • Supply and lay new latex self-levelling screed • Supply and lay approximately 30m2 of Minton Tiles to match the existing design • Supply and install new lighting to the north aisle <p>Supported by Cllr Bateman</p>
Comments from Officers Panel	<ul style="list-style-type: none"> • Benefit to a cross-section of local residents with some positive yet very potential outcomes identified • Supported by PC and Church Council. • The glass doors would lead straight into the communal area. The etching on the doors would include, subject to the necessary permissions, the logo for the Queen's platinum jubilee. • Would have liked to have seen more consultation with the public – passers by were asked verbally if they would be more likely to enter/use the church facilities. Would they be happy to attend community events inside the church and do they believe the church is a good location to have a lasting commemorative to Queen Elizabeth Platinum Jubilee. Although all agreed, there was no actual evidence of how many people were consulted. - An additional survey has been requested by officers which will close on 4th Nov and results will be available at the meeting. • Permission / faculty from diocese in relation to works outstanding & may take some months to procure • Lasting legacy of the Jubilee, magnified by existing memorial to Queen Victoria <p>No financial concerns</p>
011 R1 CGF 22/23	<p>Organisation: Houghton Field Association (HFA) Project: Queen's Jubilee Footpath Total amount of project: £72,631.00 Amount requested: £70k Matching funding if applicable: £2,631.00 Own reserves</p> <p>Officer panel score: 68.6 Recommendation: Fund Suggested specific conditions and/or match funding signposting: Standard T&C's apply. Include HDC logo. Subject to planning. Contact waste department to arrange additional disposal</p>
Application Summary	2. Promoting health and wellbeing and encouraging healthy life choices

	<p>Create a legacy for the community by laying a footpath around field perimeter. Footpath from tarmac path to football dug outs/garages to allow access for wheelchair users to view the football pitches to avoid the heavy ground and install 5 bench seats on hard standing platforms at suitable points round the path and the field. In addition, we will install additional fixed dog and litter bins as these are in short supply at present and are often overfilled. install a free-standing Jubilee Walk commemoration plaque with acknowledgement of funders</p> <p>Supported by Cllr Elliot</p>
Comments from Officers Panel	<ul style="list-style-type: none"> • It will broaden the experience of users to a more inclusive audience • Thorough quoting gives good reflection of costing • Parish council support • Project will open up the playing fields for all, ensuring inclusivity and a lasting impact. • Would have liked to seen wider consultation for this project. <p>No financial concerns</p>

012 R1 CGF 22/23	<p>Organisation: Kibworth Beauchamp Parish Council Project: Queen's Jubilee Walk Total amount of project: £72,628.36 Amount requested: £70k Matching funding if applicable: £2628.36 own reserves</p> <p>Officer panel score: 81 Recommendation: Fund Suggested specific conditions and/or match funding signposting: Standard T&C's apply. Include HDC logo</p>
Application Summary	<p>1.Community leadership to create a sense of pride in our place 2.Promoting health and wellbeing and encouraging healthy life choices 3.Creating a sustainable environment to protect future generations</p> <p>Create a Jubilee walk with Queens canopy in Smeeton Road Park which will run along the south side of the park and will join up with other paths to enable easier access to pedestrians, wheelchair users, prams and pushchair users. The walk will include:</p> <ul style="list-style-type: none"> • Bound gravel path • 25 differing species of mature trees with strong metal guards with signage identifying each village organization alongside each tree • Low wooden Knee rails separating each tree • Two insect hotels and two Hedgehog Houses, two bird boxes • Seating along the pathway • An Armillary sundial and stone plinth on a sandstone surface • Two memorial plaques with Dyslexia friendly font. <p>Supported by Cllr Hollick & Cllr Whelband</p>
Comments from Officers Panel	<ul style="list-style-type: none"> • Good number of quotes, three quotes for most of the larger items. • A realistic, confident project benefitting Kibworths, surrounding areas, visitors, biodiversity and the overall environment in a sustainable way. • Maintenance schedule and general upkeep also considered. • Acting on results of community consultation and communication with existing groups who presently use space to develop and maintain inclusivity. Original plans amended based on these findings. • Multiple areas of quotation with some aspects going with preferred supplier for consistency and previous dealings and some due to bespoke requirements with detailed methodology provided • Detailed application for a very strong, long-lasting and sustainable project • Would like sensory plants to be included – could go in T&C's <p>No financial concerns</p>

<p>Amount Requested £630,000.00</p>	<p>Amount Awarded</p>
