14 November 2006

Dear Sir,

Thank you for your letter of 24 October regarding the internal scrutiny into matters surrounding the KB/1 development appeal.

The Council feels that the full record of the background to the decisions is contained in the large volume of documents which you must have to hand.

The Council does not feel that it is appropriate to add anything at this point.

Yours faithfully

Penny Tyler  
Clerk to the Council

HARBOROUGH D.C.
